Monocle's Global Design Directory 2025

Monocle
01.10.2025

The global studios that should be on your radar, whatever your next project entails.

Asia & Oceania

A blend of global influences and deep-rooted local traditions mean that architecture and design scenes are ever evolving in Asia and Oceania – almost always imbued with a strong sense of place and a growing respect for traditional practice.

Singapore

A distinctive blend of multicultural influences and a pragmatic approach to urban challenges results in a particularly innovative design scene in the Lion City.

Right Angle Studio

Interior-design firm creating residential and commercial spaces defined by rich materiality, an efficient use of space and timeless appeal.
